

ARMY PUBLIC SCHOOL MUMBAI

Monthly Report

(May-24)

“May, more than any other month of the year, wants us to feel most alive.”

Dear Readers,

As May begins, we take a brief respite from the heat to enjoy the summer break and return refreshed and rejuvenated for the ongoing academic session.

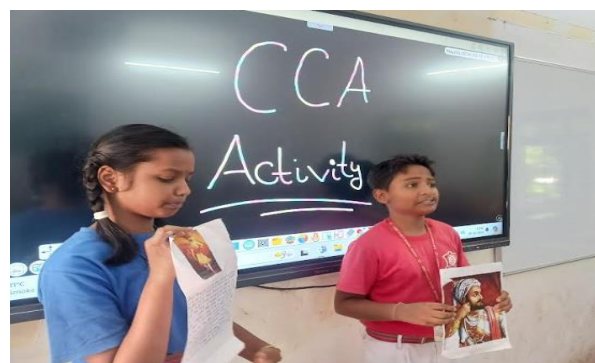

Co- Curricular Activity

AWES Day quiz

Students delved into the history and facts surrounding the Army Welfare Education Society (AWES) as part of a quiz organized in commemoration of AWES Day. The quiz provided students with an opportunity to deepen their understanding of the organization's mission, achievements, and contributions to education.

Maharashtra Day Activity

On May 1st, 2024, students from classes 6th to 9th commemorated Maharashtra Day during the CCA period with an engaging activity. Maharashtra Day celebrates the formation of the state of Maharashtra on May 1, 1960. Students showcased their knowledge and creativity through presentations highlighting lesser-known facts about the state. They explored diverse topics such as famous personalities of Maharashtra, traditional cuisine, and the rich art and literature of the region. Each presentation was accompanied by visuals or props, adding depth to their exploration. Through this activity, students not only celebrated the history and culture of Maharashtra but also deepened their understanding of its significance.

“Drawing, Colouring and Poster Making Activity”

The International Labour Day celebration at our school was a resounding success, thanks to the active involvement and creativity of our primary students. By engaging in art-based activities, they not only celebrated the contributions of workers but also imbibed essential values of respect, solidarity, and equality.

Workshop/Session attended by Teachers or Students

Training/Capacity Building Programs For The Teachers Teaching 'INFORMATION TECHNOLOGY'

IT teachers of Army public school Mumbai Preeti Verma and Purna Verma attended the workshop at Radcliffe School in Kharghar Mumbai. The Department of Skill Education, CBSE is organizing training/capacity programs on 07th May 2024 & 14th May 2024 for the teachers teaching Information Technology (Sub. Code - 402) as a Skill Subject.

[Careerbeam Festival](#)

The Principal of APS Mumbai, Mrs. Lakshmi Madhuri Chatti was awarded the Certificate of Academic Excellence for her outstanding contribution, dedication and expertise in the field of educational leadership. Her passion for academic excellence and student achievement which has made significant contributions for the educational industry was appreciated by the organisers.

[LogiQids Mental Aptitude Olympiad \(2023-24\)](#)

LOGIQIDS mental development program was introduced to the students of class 3rd to 9th in order to prepare students for the International Mental Aptitude Development Program Olympiad 2023-24. This program, designed by IIT IIM alumni, helps develop skills like analytical thinking and problem-solving abilities in children. Students received personalized worksheets for practice and all participants of the first round got certificates from LogiQids Techfest, IIT Bombay. The results for the Final Stage of the Olympiad which was conducted on 23rd Feb 2024 with 29 Students participation were declared on 9th May 2024. Ayan Vashishtha of class 6B demonstrated exceptional dedication and talent and secured Zone Rank: 7 International Rank: 9.

Dear Parents & Students,

We are happy to announce that the results for the Final Stage of the LogIQids Mental Aptitude Olympiad 2023-2024 has been declared.

To download a Soft Copy of your certificate and view your detailed report, take the following steps:

- Visit the LogIQids website (<https://www.logiqids.com/check-result>) or download our app (www.logiqids.com/get-the-app)
- Click on "Check result with child details" and enter details. Select your child from the list to view the result
- Latest App version for both Android and iOS devices

Note: Please do not create a new account; you can click on sign in to access your existing account. If you do not remember your password, you can reset it by clicking on [forgot password](#).

You will be able to see the detailed report card along with the question paper on this link. The intention of the report, along with the question paper is to keep you on board about your child's progress. Please do not forget to click on the "Question Paper" button to view the same.

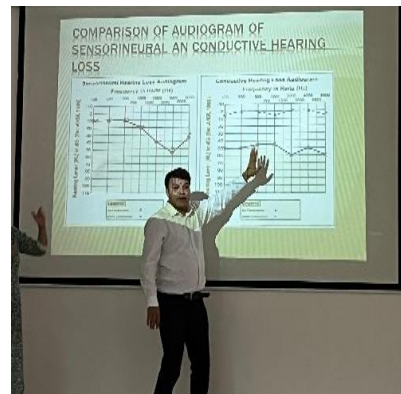

Please Note: These are the tentative results. There might be changes in the Final edition after re-evaluation.

Hard Copy Certificates:

LogIQids will be sending hardcopy certificates to the school and it will be shared with the students.

CRE Programme On Indian Sign Language Training For Special Educators

In this workshop, I became aware of different sign languages and their importance in lives of students with hearing impairment as well as its importance for society to learn basic sign language for effective communication with people having this condition. Also we had learnt different signs and sentence formations by using Indian sign language. Overall the session was fruitful and well organised. Looking forward for such valuable and fruitful sessions.

AI Tools In Class Learning, Aerodynamic Introduction

The summer camp at Army Public School featured engaging sessions on AI tools in class learning, empowering students with modern educational methods. Additionally, participants explored aerodynamics through interactive workshops, fostering curiosity and understanding of flight principles. The camp successfully integrated innovation and science, enriching students' learning experiences.

Rising Star Spectacles- ** (Showcasing The Talent Programme Witnessed By The Parents)** (Classes 1 To V)****

The Rising Star Spectacle held at Army Public School, Mumbai was a vibrant showcase of talent and creativity, where students from classes 1 to 5 captivated the audience with their remarkable performances. Spanning two days, the event provided a platform for students to exhibit their skills in various forms of expression, from speeches and imaginative thoughts to poetry recitations and character enactments. The Rising Star Spectacle featured a diverse range of performances by the budding talents of our school.

Parental Involvement:

The presence of parents added to the warmth and encouragement surrounding the event. Their support and appreciation bolstered the confidence of the young performers, making the Rising Star Spectacle, a truly memorable experience for all involved.

Conclusion:

The Rising Star Spectacle at Army Public School, Mumbai was a resounding success, showcasing the exceptional talents and creativity of our students. Through their performances, they not only entertained but also inspired and uplifted the audience. Such events serve as a testament to the nurturing environment and holistic education provided by our school, empowering students to shine brightly in all their endeavours.

Mother's Day Celebration

(Zumba And Punjabi Workout session For Mothers)

On May 2, 2024, our school radiated with joy and excitement as we hosted a lively Mother's Day celebration. Mothers, accompanied by their children, were invited to take part in a series of engaging activities aimed at honouring and celebrating their remarkable bond. The event featured a dynamic line-up of activities, including invigorating Zumba sessions, spirited Bhangra workouts and entertaining dancing fun games. Together, mothers and children embraced the opportunity to share special moments, promote fitness, and strengthen familiar ties, creating an unforgettable experience filled with laughter, love and cherished memories.

Summer Cozy Carnival Grand Party And Camp Fire Was Organised With Music, Dance , Story Telling, Star Gazing For Classes 3 To 5 .

On May 3, 2024, our school bid farewell to another academic year with a delightful event known as the Cozy Carnival. This enchanting evening party, held on the last day before the summer vacation, was a celebration of joy, creativity, and camaraderie. As the sun set, the school grounds came alive with music, dance, and laughter as children embarked on a journey of fun and excitement. From mesmerizing stargazing sessions using telescopes to captivating storytelling sessions under the twinkling stars, followed by a cozy sleepover with soft toys and pillows and gathering around a crackling campfire, the Cozy Carnival offered a magical experience like no other. Alongside these activities, children immersed themselves in a myriad of fun games, fostering friendships and creating lasting memories. The event epitomized the spirit of summer and the joy of childhood, leaving children and organizers alike with hearts full of happiness and cherished moments to treasure.
